

Please Help By Donating.

We need your **support**. At the ALDS the **education** of Deaf children is **free**. The majority come from poor rural families with no means to support the education of their child. A donation, however small, would make a **world of difference** to the children here and help us in our mission to offer rural Deaf children this **precious opportunity**.

You can make donation through the **Commercial Bank of Ethiopia** using the following bank account number.
